

Our Free Online Event Future of BioBuilding

December 10 and 11, 2025

Our Partners

Our event, ***Future of BioBuild (FoB:Build)***, will take place on **December 10 and 11, 2025**, as a **free online event**.

Bio-based building materials

Bio-based building materials are becoming a cornerstone of sustainable construction and are gaining increasing importance. Unlike the simple use of wood, they focus on truly innovative materials from renewable resources – such as hemp, algae, mycelium, or bio-based composites. These solutions offer real alternatives to conventional, fossil-based materials. From insulation and bricks to façade elements and coatings, they create opportunities across the entire value chain. Securing raw materials, scaling industrial production, and achieving market adoption remain key challenges – ones that the industry can only tackle together.

The focus of this event is on **economic perspectives**, **innovative developments**, and **practical insights** in the field of **bio-based building materials**.

event

What to Expect

The event offers exciting **keynotes**, **interactive panels**, and targeted **networking opportunities** with companies, start-ups, investors, and other players in the industry – creating a platform for **exchange**, **inspiration**, and new **impulses** for the future of the biobased building materials.

Keynotes

Be inspired by leading voices from business and practice as well as innovations – with impulses on trends, markets, and solutions of tomorrow.

Panels

Experience exciting discussions with experts from various fields – and contribute your own questions and perspectives to the dialog.

Networking

Start connecting now with companies, start-ups, investors, and other stakeholders in the bioeconomy – several hundred participants are expected!

Your Benefits

- ✓ **Networking with business potential**
Establish new connections with customers, partners, and suppliers – for strategic collaborations and new business ideas.
- ✓ **Strategic insights from industry leaders**
Leverage the expertise of leading minds from business and science to advance your strategic development.
- ✓ **Free of charge & individually tailored**
Benefit from high-quality content and valuable contacts – with no participation fee and the freedom to choose the sessions that matter most to you.
- ✓ **Visibility in a growing industry**
Position your company as a pioneer in the future market of biobased building materials – whether as a participant, speaker or sponsor
- ✓ **Exchange at decision-maker level**
Discuss current challenges with industry peers – and gain concrete solutions for your business.
- ✓ **Online: Flexible & efficient**
Participate from anywhere – without the need to travel, with full content relevance and international access.

Preliminary Agenda

All times are in Central European Time (CET)

Wednesday, 10 December

9:00 a.m. - 10:00 a.m.

Keynotes: Framework Conditions

10:00 a.m. - 10:30 a.m.

Panel

10:30 a.m. - 11:00 a.m.

Networking Opportunity

11:00 a.m. - 11:30 a.m.

BREAK

11:30 a.m. - 12:30 p.m.

Keynotes: Bio-based Materials and Products

12:30 p.m. - 1:00 p.m.

Panel

1:00 p.m. - 1:30 p.m.

Networking Opportunity

Thursday, 11 December

9:00 a.m. - 10:00 a.m.

Keynotes: Application and Products

10:00 a.m. - 10:30 a.m.

Panel

10:30 a.m. - 11:00 a.m.

Networking Opportunity

11:00 a.m. - 11:30 a.m.

BREAK

11:30 a.m. - 12:30 p.m.

Keynotes: Circular Economy

12:30 p.m. - 1:00 p.m.

Panel

1:00 p.m. - 1:30 p.m.

Networking Opportunity

Who Should Participate

Start-Ups

Advance your **business idea** – in **exchange** with investors and established companies. Make **valuable contacts**, gain **insights into the market**, and become part of a dynamic **innovation network**.

Researchers

Experience how bioeconomic innovations are put into practice. The event offers insights into **market trends** and **new perspectives** for **research** and **transfer** – in dialog with stakeholders from different areas.

Investors

Discover promising start-ups, innovative solutions, and new **investment opportunities** in the **future-oriented market of biobased building materials** and gain insights into current technologies and **market dynamics**.

Large Companies

Identify innovations and **market trends** at an early stage. **Network** with start-ups and experts to gain impetus for your **innovation strategy** and new **growth opportunities**.

SMEs

Use the event to **network**, make new **business contacts**, and gain **impulses on biobased building materials** and current market developments.

Politicians

Gain **insights** into bioeconomic innovations and **network** with shapers of social and economic change.

All information about registration can be found on our event website

Get Actively Involved!

Become a Speaker

We are looking for experts who ...

- drive **innovation** in the field of bio-based building materials
- share market-relevant **insights** into bio-based building materials
- provide **impulses**
- contribute new **perspectives** from business, start-ups, or practice

Become a speaker

Become a Partner

Do you represent an **association**, a **network**, a **research institution**, or a **non-profit organization** related to the bioeconomy?

Become a **partner** and:

- increase the **visibility** of your organization
- position yourself where the exchange on bioeconomic innovations, solutions, and perspectives takes place

To the Partner Brochure

Become a Sponsor

Would you like to position your company as a **responsible** and **forward-thinking** player in the bioeconomy?

Become a **sponsor** and:

- demonstrate **responsibility**, **innovative strength**, and **cooperation**
- become **visible** in the **international** bioeconomy network

To the Sponsor Brochure

Become a Media Partner

Do you run a **specialist medium**, a **platform**, or an **editorial format** with a focus on bioeconomic industry topics?

Become a **media partner** and:

- benefit from **visibility** in the environment of leading specialist players from science, industry, and associations
- gain access to a targeted, topic-specific community.

To the Mediapartner Brochure

Why Us?

As one of the leading market research institutes in Europe with **over 10,000 satisfied international clients**, we have **in-depth insights** into current developments towards a bio-based economy. Our aim is to promote sustainable economic innovation, actively shape the interface between **business** and **sustainability**, and accelerate the transition to a resource-efficient, bio-based economy.
