# FoB:Lignin 2026

## DATE

December 9, 2026

## FORMAT

Online

## PARTICIPATION

Free of charge

Our event, **Future of BioLignin (FoB:Lignin)**, will take place on **December 9, 2026**, as a **free online event**.

Lignin connects industrial biomass side streams with the demand for renewable aromatics, functional materials, and lower-carbon value chains. **Future of BioLignin** brings together industry, start-ups, research, investment, and policy – focusing on economic opportunities, new technologies, marketable applications, and concrete paths to industrial scale-up.

## KEY TOPICS

Industrial Lignin & Fractionation

Bio-Aromatics & Specialty  
Chemicals

Lignin-Based Materials &  
Carbon Products

You can find more information on our event website →

# Your **Benefits**

---

## **Networking with business potential**

Establish new connections with customers, partners, and suppliers – for strategic collaborations and new business ideas.

## **Visibility in a growing industry**

Position your company as a pioneer in the future market of **lignin** – whether as a participant, speaker, or sponsor.

## **Strategic insights from industry leaders**

Leverage the expertise of leading minds from business and science to advance your strategic development.

## **Exchange at decision-maker level**

Discuss current challenges with industry peers – and gain concrete solutions for your business.

## **Free of charge & individually tailored**

Benefit from high-quality content and valuable contacts – with no participation fee and the freedom to choose the sessions that matter most to you.

## **Online: Flexible & efficient**

Participate from anywhere – without the need to travel, with full content relevance and international access.

# Who should **participate**

---

## **Start-Ups**

Advance your **business idea** – in **exchange** with investors and established companies. Make **valuable contacts**, gain **insights into the market**, and become part of a dynamic **innovation network**.

## **SMEs & Large Companies**

**Identify innovations** and **market trends** at an early stage, make new **business contacts**, and **network** with start-ups and experts to gain impetus for your **innovation strategy** and new **growth opportunities** – from mid-sized businesses to large corporations.

## **Investors**

Discover promising start-ups, innovative solutions, and new **investment opportunities** in the **future-oriented lignin market** and gain insights into current technologies and **market dynamics**.

## **Researchers**

Experience how lignin-based innovations are put into practice. The event offers insights into **market trends** and **new perspectives** for **research** and **transfer** – in dialog with stakeholders from different areas.

# Get actively **involved!**

## **Become a Speaker**

We are looking for experts who drive innovation in the field of lignin, share market-relevant insights, provide impulses, and contribute new perspectives from business, start-ups, or practice.

**Become a speaker →**

## **Become a Sponsor**

Would you like to position your company as a responsible and forward-thinking player in the bioeconomy? Demonstrate responsibility, innovative strength, and cooperation – and become visible in the international lignin network.

**To the sponsor brochure →**

## **Become a Partner**

Do you represent an association, a network, a research institution, or a non-profit organization related to lignin? Increase the visibility of your organization and position yourself where the exchange on bioeconomic innovations, solutions, and perspectives takes place.

**Become a partner →**

## **Become a Media Partner**

Do you run a specialist medium, a platform, or an editorial format with a focus on bioeconomic industry topics? Benefit from visibility in the environment of leading specialist players from science, industry, and associations – and gain access to a targeted, topic-specific community.

**To the media partner brochure →**

As one of the leading market research institutes in Europe with **over 10,000 satisfied international clients**, we have **in-depth insights** into current developments towards a bio-based economy.

**We look forward to your participation!**
