What to expect

FoB:Invest combines a precisely structured pitch day with a curated pre-selection of participating startups. Startups not only showcase their innovative technologies and services, but also gain access to a highly qualified network of financial and strategic investors, clusters and technology funders.
The event is fully online – efficient, international and with a limited number of participants for a focused expert audience.

Online-Pitches

Experience concise startup pitches with a strong investment focus – from early-stage to scale-up. Gain first-hand insights into business models, market potential and financing strategies.

Award Ceremony

Follow the jury's decision live: Which startup excels in innovation, market maturity and scaling potential? Finalists and the winner will be announced at the end of the event.

1:1-Networking

Connect directly with investors & startups. Arrange individual follow-ups and discover new contacts for potential investments, partnerships or pilot projects.

Your Benefits

- ✓ **High-level visibility among leading European investors**
- ✓ **International reach and visibility**
- ✓ **Prominent mention on our event website plus LinkedIn posts to >25,000 industry contacts**
- ✓ **Opportunities for pilot projects and industrial collaborations**
- ✓ **Flexible & efficient thanks to online format – join from anywhere, with full relevance and international reach**
- ✓ **Participation in the FoB:Invest Innovation Award with the chance to be selected as a finalist or winner for outstanding technological innovation**

FoB:Invest Innovation Award

The FoB:Invest Innovation Award honours the most convincing, technologically advanced and market-ready bioeconomy innovation of the event. From all 100 selected startups, 8 finalists are chosen – and from these, one overall winner is announced.

- ✓ **Official award certificate (digital)**
- ✓ **Targeted e-mail to our 15,000+ contacts in the Invest & Bioeconomy community**
- ✓ **Prominent placement on our event page (with >30,000 visits per month)**
- ✓ **Exclusive LinkedIn post to >25,000 industry contacts**

Application Process

- **Submission of the application (basic information)**
- **Pre-screening of applications**
- **Submission of the pitch deck**
- **Announcement of the finalists**
- **Selection of the award winner by the jury committee**
- **Pitch days including award ceremony (online)**

Evaluation Criteria for the FoB:Invest Innovation Award

The jury evaluates based on the following criteria:

- Degree of technology and innovation
- Market potential & scalability
- Maturity / traction
- Team & Umsetzungsfähigkeit
- Team & implementation capability
- Investability (clarity of financial planning)

FoB:Invest Application

Application Documents

We need this basic information for the first selection round:

- **Pitch details**

  Title of the presentation and name of the pitcher(s)

- **Technology profile**

  Technology Readiness Level (TRL): current state of development (TRL 1-9)

- **Financing target & investment need**

  Specify the form of financing sought (e.g. seed, series, etc.) and the target amount.

- **Optional: Short pitch video (2-3 minutes)**

  Recommended for personal presentation of team, motivation, and vision.
